No medical questions or tests are required for coverage.

Employees get an annual Wellness Benefit of \$100 for completing an eligible health screening test.

Benefit payments go directly to you. Use them however you'd like!

Critical Illness Insurance doesn't replace your medical coverage; instead, it complements it. **The benefit payments don't go out to pay for medical bills or treatments you may need, instead they come in—directly to you—to be used however you'd like.** Choose this supplemental health insurance product for added protection if one of the following covered conditions comes your way.

Critical Illness Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.
